THE COLUMNS

Not walls and halls nor columns tall
 And stately, lifting eye and heart
 From base and shaft to capital,
 Uphold a school for many years.
 But sons and daughters, stately, tall
 In soul and mind, within these walls
 And halls, who take her proffered gifts—
 Life's lessons learned from and between
 The lines of books and lectures here—
 And out of them construct a base
 On which a columned life may rest
 And rise. The shaft, straight, strong, and tall,
 While reaching Christward to the skies,
 Is crowned with sculptured capital
 Of beauteous service—utter proof
 That lessons learned within the walls
 Have raised a living column tall—
 A pillar strong, to help uphold
 The structure of a tottering world.

PROLOGUE

The year 1964 has been many things to the students at Anderson College. To some it was a year of defeat and sadness, and to some it was a year of accomplishment and happiness.

Each student, each staff member, has his own personal history of the 1964 school year.

Each record is a little different, and each story is an original as each student saw the year—but this is 1964 as we saw it.

We, the 1964 COLUMNS staff, present this edition of the yearbook in the hope that we have left an indelible mark upon your minds of memories of this year at Anderson College.

ALMA MATER

*Dear to our hearts is our Alma Mater,
Loyal and true are we;
Truest devotion till life is ended,
Wholly we pledge to thee.
Tho' from thy halls far away we wander,
Thoughts back to thee will fly,
And tender memories time cannot sever,
Love that will never die.*

*Heaven's choicest blessings ever attend thee,
Dear Alma Mater mine—
No shadows harm thee, no fears alarm thee,
Always the sunshine thine.
An tho' we leave thee, we'll never grieve thee,
True to our trusts we'll be;
Our best endeavor, now and forever,
Always to honor thee.*

Robin Barrett Kelley

Dedication

He immediately found a lasting place in the hearts of the faculty and the student body. All those who came in contact with him were awed by his constant good humor, patient understanding, and high personal ideals.

For qualities of kindness and composure; desire to help those who need help, to encourage those who need encouragement; and unfailing devotion to the fine art of his profession . . . In expression of our thanks, love, and admiration, we dedicate this yearbook to Mr. Robin Barrett Kelley.

John Fitzgerald Kennedy
1917-1963

In Memoriam

We will always remember John F. Kennedy as one of the ablest and greatest leaders of all time—a man who, by his own personal faith, courage, and genius, in his short lifetime became an image to the world that few men can ever hope to equal.

How well we will remember his unfaltering hope and unflagging energy so evident in his work—the peace corps, foreign policy, civil rights, the space program—he gave his all to the making of a better and more peaceful world.

Let us stand proud that we were able to share for a time such a man as John Fitzgerald Kennedy.

The words he wrote after the death of his brother seem fitting to describe his own life: "It is the realization that the future held the promise of great accomplishments . . . that made his death so particularly hard . . . His death seems to have cut into the natural order of things. But at the same time there is a completeness to (his) life, and that is the completeness of perfection."

"Ask not what your country can do for you; ask what you can do for your country."

Dr. John Edward Rouse

President

In his seven years at Anderson College, Dr. John Edward Rouse has made many lasting contributions to our school. He is a man whose formality, friendliness, wisdom, sincerity, and high ideals daily inspire those about him to a greater awareness of their responsibilities as Christian citizens.

Receiving his B.S. from Furman University and his B.D. from Andover Newton Theological School, Dr. Rouse later returned to Furman to receive his Doctorate of Divinity. He did his graduate work at Boston University.

Dr. Rouse came to us in 1957 from the First Baptist Church in Laurens, South Carolina, where he had served as pastor for several years. He had also served as pastor in a Baptist church in Belton, South Carolina, and Birmingham, Alabama, before coming to Anderson College.

Dr. Rouse is married to the former Zana Wilson. They have three children: John and Bob, who are at Furman University; and Mary, who is a junior at T. L. Hanna High School in Anderson.

Phi Theta Kappa is the junior college scholarship society corresponding with the Phi Beta Kappa for four-year colleges.

Standards are high all around for this honorary chapter, and only those who rank in the scholastic upper ten per cent

of students enrolled in Arts and Science courses are eligible for membership.

Besides their regular monthly meetings, Phi Theta Kappa members each year present a special program in chapel and have a party or banquet.

Omicron Iota Kappa is open to all Home Economics students. Its purpose is to develop character, initiative, and a professional pride for students interested in careers in this field.

The organization, affiliated with the American Home Economics Association, holds monthly meetings. During these meetings members discuss Home Economics projects, such as their spring fashion show and the tea for students during High School Weekend.

The Circle K club was organized in 1960 by the Kiwanis Club of Anderson. Membership is composed of both freshman and sophomore men who have been chosen on the basis of leadership, character, and ability.

The purpose of the organization is to teach young men to live honorably and unselfishly, to strive toward higher standards of character, to preserve our freedom through the proper acknowledgment of our responsibilities, and to prepare for successful futures.

The COLUMNS is published annually by members of the Sophomore Class who are chosen in their freshman year by the college Publications Committee.

Ours has been an inspiring and rewarding project. Many hours have been spent planning, worrying, dashing from one end of the campus to the other, worrying, drawing lay-outs, making changes, worrying, making more changes, and worrying.

In addition to the work of producing an annual, we also found ourselves involved in making countless picture schedules, "chief-in-charge" of the Miss Anderson College Pageant, elections, and numerous other activities.

But we can never say that our work was in vain, for along with our headaches, heartaches, and tears there has been much fun.

It is our hope that we have succeeded in enclosing between the covers of this book words and pictures that will be lastingly memorable to you. In the years ahead may you relive this year at AC as you turn through these pages of your 1964 COLUMNS.

Reflections

This is Anderson College, 1963-64. We hope these pages will bring back many happy memories as you turn through the pages of this yearbook.

Hurry up. My book was due yesterday!

How do you spell von Hass—Hoss—Haz . . . ?

If I see another student, I'll scream.

Now, let's see, which card do you want?

Get a load of that new boy!

Mom's cooking was never like this!

Nice work if you can get it!

Welcome, brother.

What's the answer to question number two?

Two thorns among the roses.

Are you sure you got the right assignment?

"Honest, Dean, we haven't taken a payoff."

"You get down like this—"

"Oooh! This is hot!"

The belle of the hall.

"Stand up and say that!"

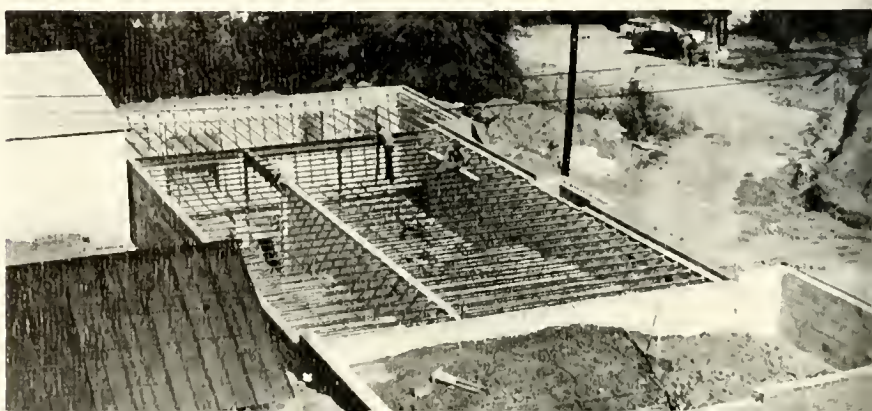

"Where's the mustard?"

I've heard of do-it-yourself kits—but this is ridiculous.

Guests from England

You'll be sorry, Iris!

Aren't we cute?

Who whistled?

We'll stroll the lane together.

Just can't resist those hotdogs.

We Rats must stick together!

What a cozy corner!

Move over. My dog needs roasting.

What's a smorgasbord?

Now let me tell you about the Queen.

Let's try that cheer again.

Should we wait for the Coach?

Gerald starts the long grind.

Where does this path go?

Be nice to the judges, girls.

Wish one of those boys would sit with me.

We go for tall, handsome men at Anderson College.

Wow! Whatta man!

Come on. Let's twist.

This thing's out of tune.

A. C. students rush to the library—to study?

"Did we beat North Greenville or not?"

Judy Stuckey makes a dash for the punch.

Girls, girls, it's only a penny!

Gee, this is good punch—hic!

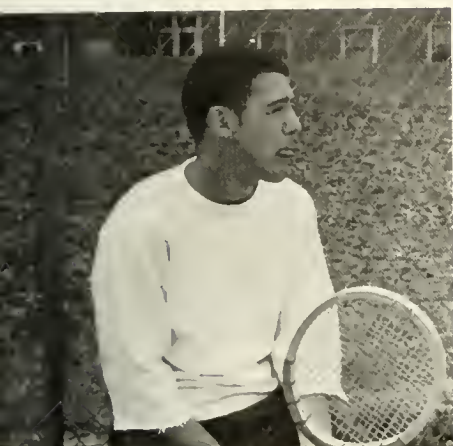

"Oh, Buddy—tell me that again."

Some people concentrate on the wrong things.

There's more than one way to lick 'em.

Does he chase rabbits?

Honest, Dean, I didn't do it.

What a handsome couple!

O, to be an opera star!

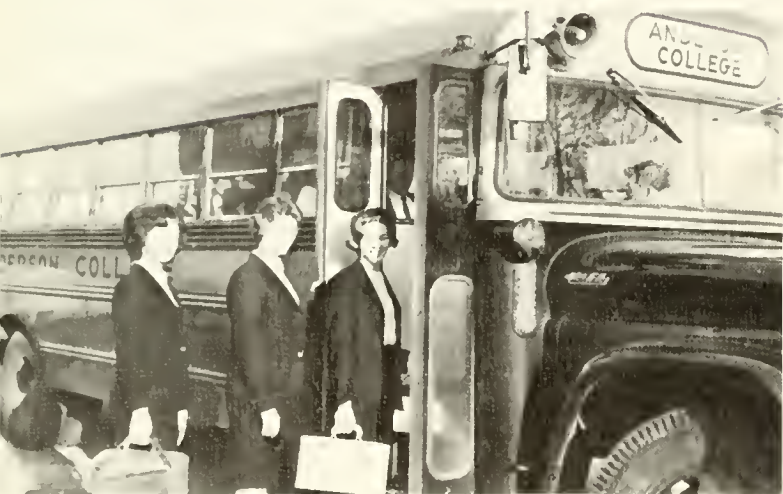

Stop the world, I want to get on.

Anything else, master?

College day

Haven't you forgotten something?

A trip to England sounds interesting.

"It's a bird, it's a plane, it's . . ."

Doris, why didn't you tell us!

"Good-bye, old man, I'll see you at Richmond."

"Up and over, in and out."

A crown for the queen

Dr. Rouse, it's crooked!

Be sure you get the right ribbon.

The queen and her court

Many hours of hard work and diligent thinking go into the editing of a college yearbook. But after the hardest work has been completed, there is a satisfaction of accomplishment that only an editor can understand.

There are many to whom we owe our deepest gratitude for their contributions toward the making of this yearbook. We could not begin to name the large number of people who have helped somewhere along the way, but we do wish especially to thank our advisors, photographers, and staff members.

In presenting this, the 1964 *Columns*, to the students, faculty, and administration of Anderson College, we give to you the result of a tedious but inspiring and rewarding task.

**All
Your
Cost-of-Living
Items are
Up...**

BUT ONE!

In the past 20 years alone, most cost-of-living items have just about doubled in price...

Except for electricity, which has actually come down!

Fact! — Since 1943, the average cost of a kilowatt hour to Duke Power residential customers has dropped more than one-third. In that same period, the use of electricity has increased over 4 times, while the standard of living has gone up correspondingly.

It's truer today than ever — you live better, for less, electrically.
